Dear Mayor and City Councilor Members:

I am pleased to submit the 2023 International Falls Police Department Annual Report to you and residents of International Falls. This report contains a summary of the events and operations the Police Department undertook in 2023.

2023 was a year of change and innovation at every level of our organization. In February planning began to study the feasibility of moving the police department into a space that could better serve the community. We assessed many spaces and chose the 900 5th St, Suite 305 as the most suitable transitory location. In May we moved the police department into this space, and we continue to work with BKV to find a permanent location for our department.

In October we made the transition to a full-time model of operation and away from utilizing part-time officers in the department. The change has thus far been successful and allowed for enhanced operational functions in key areas of law enforcement. One of these areas is investigations. We are now staffed with an investigator seven days a week.

I hope that this report gives you a clearer understanding of the importance of our department and the direction we are heading. We believe the future of policing lies in reaching public safety goals by utilizing both traditional and non-traditional policing. The IFPD will continue to place importance on public safety, community policing, and proactive police work while also ensuring our resources are allocated in the most responsible means.

This report provides a brief snapshot of the International Falls Police Department. I would encourage all who are interested to speak with me further with any questions or suggestions.

Chief Michael Kostiuik

# Mission Statement

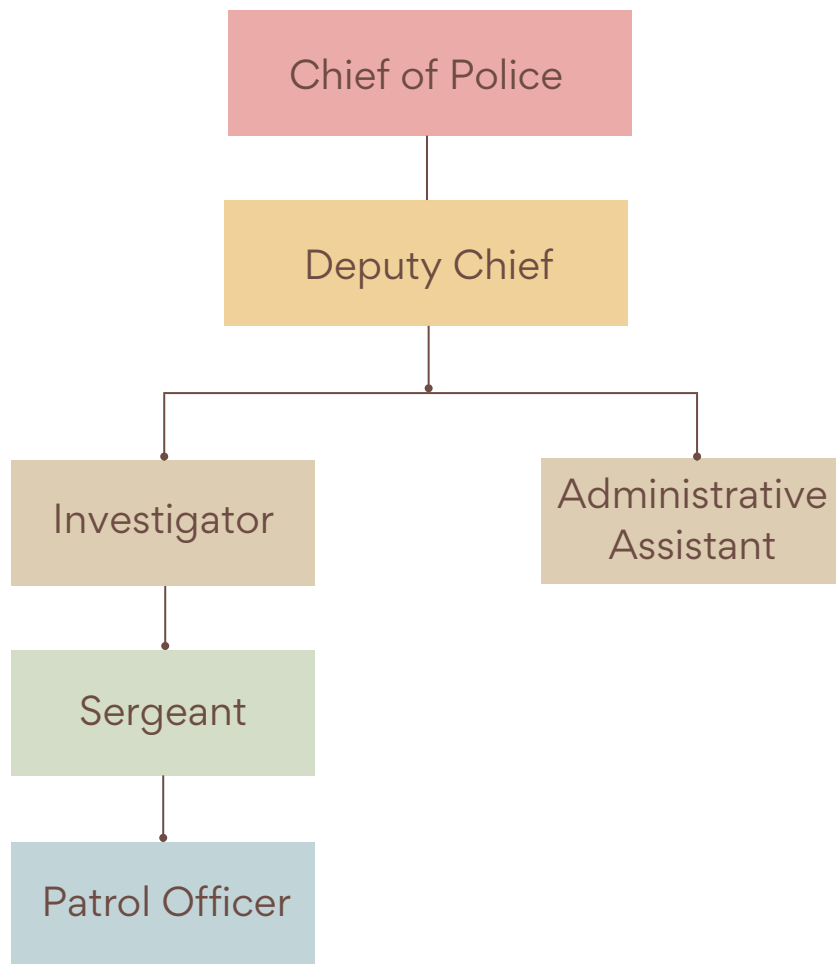

The mission of the International Falls Police Department is to protect and serve the community of International Falls with fairness, compassion, and empathy. Our public service model is designed to increase public safety, citizen confidence, and citizen satisfaction through proactive policing and strong community relationships.

## Core Values

- **Accountability**- We realize the responsibility instituted in the positions we have as law enforcement officers in the community. We also realize that there is an expectation that officers are trustworthy, dependable, and fair in dealing with all individuals and circumstances.
- **Integrity**- Integrity is defined as the quality of being honest and having strong moral principles. Officers will carry out their duties with integrity in a transparent manner.
- **Stewardship**- Though our service in these positions may be temporary, we have a responsibility to maintain the honor and dignity of them. We will be committed to leaving all situations better than we have found them.
- **Excellence**- We will perform our duties to the best of our ability while also helping others realize their potential.
- **Empathy**- We understand and appreciate that each of us is unique and deserving of respect and compassion. We will strive to provide a public service that denotes our commitment to these ideals.

# International Falls Police Department Organizational Chart

## Staffing

The International Falls Police Department is staffed by fourteen full-time licensed police officers and one part-time administrative assistant. Our street level operations are staffed at all times with a Sergeant and up to two Patrol Officers. Further, we have an investigator on duty seven days a week. In addition to their standard duties, IFPD Officers fulfill other roles to achieve our mission and goals. For your reference I have given an abbreviated listing of additional duties outlined below. A key goal of this administration is the creation of lines of succession. You will note duties mirrored at various command levels. It is important that all levels of this department contribute to the mission and goals and provide insight to upper staff members.

**Front** (left to right) Chief Michael Kostiuk, Patrol Officer Keith Magler, Patrol Officer Anthony Kastens, Patrol Officer Logan Hulst, Patrol Officer Joshua Ballejo, Patrol Officer Shane Thramer, Deputy Chief Mitchell Lessard.

## 2023 Statistics

We responded to 5,755 Calls for Service (CFS), 1,074 of which required reports. Officers made 1,224 traffic stops and issued 577 citations. A comprehensive graphing of the statistical data is available in the appendix at the end of this report. Officers were involved in seven traffic pursuits and initiated seven of these. The police department received seven citizen-initiated complaints against officers.

### Citations Issued by Month

## Community Policing Initiative

The concept of community policing remains integral to our service to the City of International Falls. It is the core of our department's public safety initiative. The following is a brief synopsis of our yearly activities:

Sergeant Dane Olson, Officer Kane Kostiuik, and Officer Jay Taylor participated in the Community Steps event. The officers assisted local children in shopping for shoes.

The IFPD participated in the first annual Guns N' Hoses event which raised over \$2,500 for local advocacy group Friends Against Abuse.

Investigator Mastin and Sergeant Wherley conducted a presentation on the dangers of narcotics.

The IFPD obstacle course, overseen by Officers Shane Thramer, Kane Kostiuk, and Jay Taylor, made another appearance at the July 4th Celebration.

We marked our sixth annual National Night Out with record-breaking attendance. The event continues to expand and has become a reflection of what effective community policing can accomplish.

The IFPD continued our partnership with Dunkin Donuts and Special Olympics Minnesota with our presence at the Cop on a Rooftop, which raised money for the athletes.

Officers participated in handing out candy at the FHS Trick or Treat Hallway.

Foot patrol through high traffic areas on Halloween provided both safety and treats for the community.

# Investigations

Investigations have become an increasingly vital aspect of law enforcement. We began 2023 with one investigator. It quickly became apparent that the workload was too much for one officer. In October, as we transitioned to a full-time officer model, another investigator position was added. The two positions are staffed seven days a week, for twelve hours each day. The crimes investigated vary from embezzlement, drug search warrants, criminal sexual assaults, and a multitude of other criminal activity.

Assisting other agencies is another high priority item for the International Falls Police Department. The IFPD has worked side by side with Koochiching County Family Services on numerous child welfare, child neglect, child pornography, vulnerable adult, and mental health situations. In 2023, the IFPD received 319 Child Protection/Vulnerable Adult reports that are sifted through, and a response is coordinated by this unit and Family Services. A response typically involves a multitude of agencies and a calculated forensic interview. Albeit, there were not 319 forensic interviews that took place. Some of the mentioned reports are “screened out,” and do not “meet criteria.” The IFPD also worked closely with the Minnesota Bureau of Criminal Apprehension, Koochiching County Sheriff’s Office, Ontario Provincial Police, and other jurisdictional entities to ensure the safety of the citizens of International Falls.

Some of the major crimes investigated include:

- In December Sergeant Olson, along with Officer Kane Kostiuk and Officer Griffin Offerdahl assisted the Minnesota Bureau of Apprehension (BCA) in the execution of a warrant within the city limits for Child Pornography. Several items were seized, the suspect was interviewed, and information turned over to the BCA for further investigation.
- Worked alongside our colleagues, the Ontario Provincial Police (OPP), on a theft/scam of store rebates. The OPP estimates the total is approaching 15,000-20,000 CAD at this time. This case is still ongoing.
- In 2023 the IFPD Task Force seized approximately 900 grams which equals out to be nearly two pounds. Our task force will continue to work with other law enforcement agencies and resources to curb drug trafficking and the distribution of controlled substances within our community.

·A yearlong investigation started back in 2022 which eventually resulted in a 15 pound methamphetamine seizure out of state. Some of the information used in this seizure originated with our task force, right here in International Falls. This case covered multiple jurisdictions, cities, and states. Several individuals from this case were charged in other states as well. It is believed a quantity of methamphetamine from this seizure was headed to International Falls.

·A search warrant was applied for by the IFPD and granted for a house in Ray, MN. The warrant was executed by the IFPD which yielded approximately  $\frac{3}{4}$  of a pound of methamphetamine and \$3,500 bound for the City of International Fall. This warrant also yielded two arrests of people from out of this area.

·Investigation and follow-up on seven traffic pursuit cases.

·Investigation and follow-up on ten vehicle thefts.

## Police Department New Location

In the Spring of 2023 the decision was made to terminate the long-standing lease agreement with Koochiching County and move the police department to a new location. As the City of International Falls began the process of a city-wide facilities study it became apparent that the police department was in need of increased space. The goals of highlighting our unique identity and availability to the community were also priorities.

After searching several spaces, it was decided that the Backus Community Center third floor space was the best choice for a transitory space. The space, located at 900 5th Street Suite 305, was a recently renovated location that had formally housed Northland Counseling. The site offered nearly 5,000 square feet (versus the 800 square feet in the Law Enforcement Center) and separate workspaces for each officer. Existing technological infrastructure provided a foundation for our Information Technology department to quickly set up and secure our records management systems in an encrypted manner.

I am proud to point out that our own officers handled many of the renovation tasks. Painting, furniture assembly, and many other tasks were done by our employees. The police department has taken on this move with admirable ability.

The move into a new space is one that has not been undertaken in over forty years. I hope that the council and the community come to appreciate the steps we have taken to become more accessible to our city.

I have attached a spreadsheet of the costs associated with the move to give a better understanding and increase transparency. This can be found in the appendix.

## Department Advancements

The police department began to lease vehicles from Enterprise. The police fleet had seen severe depletion due to supply chain issues and the partnership with Enterprise has allowed the department to enjoy a full fleet of squads. The arrangement will also ensure cost-savings over the next several years.

Implementation of new Taser 7 units. The Taser 7 is an upgraded less lethal tool which offers increased safety for both officer and suspect.

Deputy Chief Lessard was able to secure a grant for new mobile radio units in the amount of \$10,500.

Police Chief Kostiuk completed his Master's Degree in Public Administration with a Local and City Concentration.
